The general planning of the compound, the detailed building design and

layouts were developed by the famous American architecture bureau.

In Family townhouse there are 3 bedrooms, 3 bathrooms, a spacious living room, dining-room and a kitchen, a laundry room and a storage room, sauna.

There is a back patio which can be used as a barbecue area or children's playground. The garage for two cars, central air-conditioning and separate heating controls for each room and many more aesthetic and functional nuances will create a home of comfort for you and your family.

#### ABOUT COMPOUND

This International Residential Compound is a cosy and comfortable residence for the whole family. Diplomats, businessmen, top managers of leading Russian and foreign companies choose it for its top level security, international level of service, 24-hour assistance and a welcoming and comfortable community.

The village of 54 hectares has an extensive infrastructure and a lot of places for leisure activities. Everyone coming here finds something interesting to do every day for the whole family. Sports tournaments, fishing, exhibitions, children's activities, cultural events and more than 20 clubs are just a part of our active social life.

All residents live within the by laws of the community ensuring respectful attitude towards their neighbors and their living environment. This compound is not only a comfortable home but a unique combination of services, a sense of security for you and your family, an interesting life for everyone and an opportunity to meet new friends.
